[redacted]
Spare Parts

- Contract 146-19255-9

Please Return To
Engineering Staff

1. Under the terms of PSC contract 146-19255-9, [redacted]
[redacted] is fabricating one (1) service test model high speed
Electrostatic Printer, [redacted] In accordance with the require-
ments of the contract the contractor is also to furnish spare parts.

2. [redacted] has submitted the attached
Spare Parts List and Cost and Price Analysis. These are considered
acceptable by the Engineering Staff.

3. It is requested that Requisition No. MSB 59-518, Voucher
No. 59-19255, Allotment Charge 9/7900-50-095, be amended to include
the spare parts as deliverable items under PSC contract 146-19255-9.
There is no increase in the obligation of funds as a result of this
amendment.

Subject: Contract No. 146-1⁹255-9

Gentlemen:

In accordance with the requirements of the subject Contract, we are pleased to submit herewith our proposal in the amount of \$3,639.71 for spare parts recommended to support one (1) Electrostatic Printer for a period of one (1) year. We have enclosed three (3) copies each of Spare Parts List, Enclosure "A" and Cost and Price Analysis, Enclosure "B".

The enclosed parts exhibit sets forth the minimum spare parts required to support the unit for approximately one year, with the exception of paper and ink, costs for which will be submitted at a later date. These supplies can be reordered separately when needed.

Our proposal is submitted on a fixed-price basis and will remain firm for a period of thirty (30) days. Delivery can be accomplished within three (3) months after receipt of award.

We trust that the proposed list of recommended parts meets with your approval and will enable you to issue the necessary contract modification shortly. Should you require additional information, please contact [redacted] Contract Manager, at the above address.

25X1

Very truly yours,

25X1
